

FOSTERING APPLICATION FORM

Thank you for enquiring about fostering a dog. You are applying to become a vital part of our team and this role is enormously important in finding a dog its forever home.

Fostering requires looking after a dog as if it was your own for as long as it takes to find a permanent home. The dog could be in your care for weeks or months. Fosterers are asked to regularly report feedback to the rescue about each dog to help evaluate what kind of permanent home it would suit. Regular characteristic profiles and photos are useful so that we can add in as much information as possible on our website and social media pages. We will work together to do the best for the dog. Working as a team means that we will give you full support and training. We will always be available to call if you have a problem and all veterinary treatment, food, dog beds, leads, collars etc. are funded and provided by the rescue.

Taking in a rescue dog is not always easy, but if you are an animal lover you will find it very rewarding to know that you would have helped to save a dog's life by offering a safe, loving haven.

Each case requires patience, calm and gentle handling for as long as it takes to settle the dog and gain his/her trust. He/she will not come with a "good behaviour" certificate or a "I will sleep all night" promise. For the first few days you will need to be around the dog for most of the time to reassure him/her. You must be patient, gentle and loving.

If we feel your home, lifestyle and experience could help a dog in need, we will get in touch. Foster homes cannot pick and choose which dogs they wish to help. Foster homes must be willing and able to bring the dog to our vets and also to meet and greet with potential adopters.

If you wish to help us by fostering, please fill in the application form. There is also a veterinary reference. Please take this form to the you are using or have previously used, the vet will complete the form and return it to us separately. Once this is completed, we will call to discuss fostering with us and will also carry out a home check to assess your home.

Foster homes must be within an hour's driving radius of Bournemouth so we can provide you with full support.

We look forward to hearing from you.

Kind Regards,
Team SSR

APPLICATION FOR FOSTERING

Date:

Mr/Mrs/Miss/Dr/Other (Delete as appropriate)

Name:

Age:

Contact number:

Email:

YOUR HOME

Address:
.....

Post Code:

Length of time at this address:

Full names and ages of all people living in the home:

.....
.....
.....

Do other children visit the home? YES/NO
